Audit Committee Certificate

To the Rector or Vicar, Wardens and Vestry:

The audit committee has inspected the financial position of the church in accordance with the audit guidelines of the Diocese of the Mid-Atlantic (DOMA). We have taken steps to see that the financial statements and report of the Treasurer's funds present fairly the assets and liabilities of the church; and that the receipts and expenditures and changes in all fund balances for the audit year are in accordance with the principles authorized by the Anglican Church in North America (ACNA), DOMA.

Our inspection and certificate are **not** to be construed as an audit and opinion rendered by a Certified Public Accountant.

Orientation

This document serves to provide a common financial accounting template for Anglican congregations and missions in the Diocese of the Mid-Atlantic. As a resource, members of the Finance Committee and the Vestry may find additional church related financial control information available at:

The purpose of this auditing practice is to thoroughly engage the local churches in adequately demonstrating the financial well-being of their accounting functions. In most respects, especially in insurance and asset management, this audit program goes farther than what would be accomplished in an outside audit.
