Calling all Anglicans into Action for Life!

Today's culture increasingly celebrates and embraces death. But, as we know from the Bible, God values life, and His Word commands us to protect it.

To help you fulfill Scripture's mandate to protect God's gift of Life, we invite you to attend Summit 2018, for inspiration in mobilizing life-affirming ministry in your church! The Summit features speakers, workshops, testimonies, & networking opportunities to equip you to live out your calling to advocate for life.

Then join with hundreds of thousands of people (mostly young!) coming together to bear witness to the sanctity of life.
