

Summary of the ACNA  
Congregational Reports

*Diocese of the*  
**MID-ATLANTIC**  
Anglican Church in North America

Each year, we have provided to all Synod delegates the compilation of the Congregational Reports of all the churches in the Diocese for the previous year. Since that is a large Excel spreadsheet which can be difficult to work with, we have had requests for a summary of key statistics, including some of the figures, such as “Conversions,” which the Bishop has mentioned in his report to Synod.
