

## Worship Leader for Sunday morning Service

We are an Anglican Church in Northern Virginia (DC Metro Area) who enjoys a liturgical service of Holy Communion at this specific weekly gathering. We lean toward the Charismatic, and are well grounded in scripture. We are looking for a worship leader who is able to lead congregation in song using a combination of hymnody and praise music matched to the thematic message of the day.

Ideally we are looking for a candidate to lead us in 2-3 services per month, but we can be flexible. Pay commensurate to gifting and experience on a per Sunday basis. Some preparation will be required each week for working with the pastor and admin team in coordinating the music etc.
